

Order your ECT Test Probes from ROMEX B.V. via Phone: +31-(0)317-389787, Fax: +31-(0)317-389780 or E-mail: info@romex.nl.

SIP-90-2

Materials: Brass, gold plated
Mounting Hole Size: .055 (1.40)
Applications: Designed for use in original GenRad interface blocks.

SIP-90-3

Materials: Brass, gold plated
Mounting Hole Size: .055 (1.40)
Applications: Designed for use in original Zehntel interface panels.

SIP-90-4

Materials: Brass, gold plated
Mounting Hole Size: .055 (1.40)
Applications: Designed for use in original Factron interface panels. SIP-90-4 replaces SIP-90-1.

SIP-90-5

Materials: Brass, gold plated
Mounting Hole Size: .057 (1.45)
Applications: General interconnect.

SIP-90-6

Materials: Brass, gold plated
Mounting Hole Size: .057 (1.45)
Applications: General interconnect.

GPP-95-2

Materials: Brass, gold plated
Mounting Hole Size: .085 (2.15)
Applications: Designed for use in original GenRad interface boards.
