Cobalt-Free Humidity Indicator Cards (CF-HIC) (Part No.: 3785.x)

Humidity indicator cards provide a simple and reliable visual inspection of the relative humidity inside a sealed package. These cards are reversible and the indicator area will change from yellow to green by increasing humidity and vice versa.

- Heavy metal free
- Non-toxic
- Non-hazardous
- Environment friendly
- Meets JEDEC Standard J-STD-033B
